

Child Enrollment Checklist

Dear Parents,

We are very excited to have your child become a part of American Montessori! Please go to the website at <http://www.americanmontessori.com> under Enrollment Section and download these forms that are needed for the enrollment process.

Below is a check off list for you to keep track of all forms that need to be handed into Miss Sandy before your child starts at your time of enrollment. If you have any questions please feel free to ask. We look forward to working with you and your child!

Thank you,
Miss Sandy
